 - ✓ Voyant
 - ✓ TimeMapper
 - ✓ Kumu
- ❖ Discuss teaching materials and digital possibilities.

Let's Get Digital !

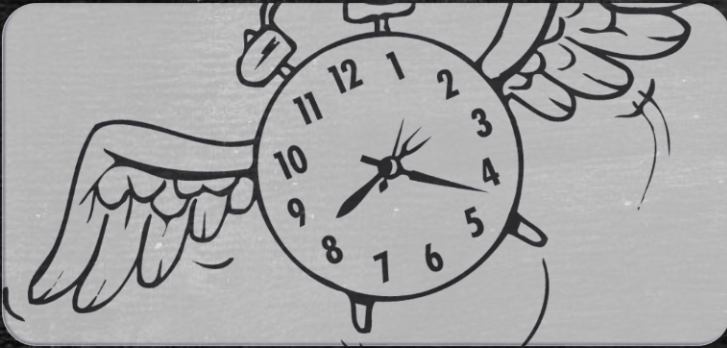

But, why ?

Advantages of Digital Learning:

- ❖ Fosters high level thinking (according to cognitive complexity and depth of knowledge taxonomy).
- ❖ Promotes new and different analyses.
- ❖ Creates digital learning environments that are:
 - ✓ Collaborative
 - ✓ Multi-sensory
 - ✓ Flexible
- ❖ Expedites multi-dimensional feedback loops.
- ❖ Prepares students for our dynamic digital world.

Most Common Concerns:

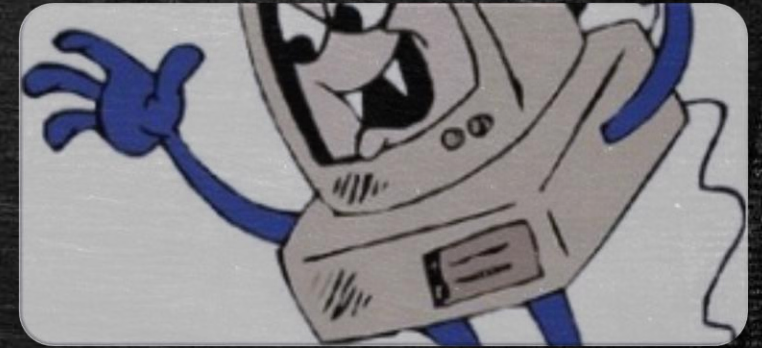

Time

- Not enough time to make new assignments
- Too much material, too little time

Accessibility

- Unequal access to computers and/or internet for students

Fear of Unknown

- Not “tech savvy”
- Failed attempts
